November 28, 2015

Dear Friends,

This issue is filled with tons of great freebies and deals just for you! I rounded up some of the best to share with my dear readers.

I pray each of you had a wonderful Thanksgiving! Most of my family helped at our local Community Thanksgiving Dinner, and then we spent the afternoon and evening with my parents. We came home that night to no power at our home. We found out that half the town was without power. An ice storm was moving in, so were praying it would come back on soon. It was only out for an hour or so, praise the Lord.

Friday we stayed home as the ice storm made the roads slick. We enjoyed decorating our home for Christmas and having our traditional "special dinner" as a family and watching a Christmas movie.

I pray each of you have a wonderful weekend and enjoy these fun goodies.

Now let's dig into this week's Inspirations!
